### ...that the Eagles Club has an AED (Automated External Defibrillator) on site?

Fortunately, someone did and put it to use on June 4<sup>th</sup> at the Pickleball courts. We are happy to say

the patient is doing well. Who knows what the outcome might have been that day had we not had an AED. It's located on the wall between the

poolroom and the dining room. The benefit of living in the Med City is that there is probably someone close by who knows how to use it, but don't be afraid to use it if the need arises. It tells you what to do.

#### **Presidents Letter**

Brothers and Sisters,

July has arrived, and summer is in full swing! We hope you're taking advantage of the beautiful outdoor spaces and enjoying the friendly atmosphere at the club. Let's hope for drier weather this month, as the latter part of June was quite soggy.

Exciting events are on the horizon!

On July 4th, we're hosting Pickleball and Co-ed Volleyball tournaments—don't forget to sign up at the bar. That evening, enjoy live music by Ron Moshier, a two-time Entertainer of the Year in the Rio Grande Valley. Local musician Rick Horsman will also join his band, playing the Pedal Steel Guitar.

And don't miss our infamous Eagle Stock on July 20th—a day filled with music, pickleball, volleyball, beanbags, and delicious food—all outdoors, weather permitting!

Finally, on July 21st, we're planning another fun bus trip to see the Twins game against the Brewers. Sign up at the bar to secure your spot!
